

HOG HUT – hedgehog house

Contents:

- Screw Pack
- Front Panel (A)
- Back Panel (B)
- 2 x Roof Panels
- Securing pegs
- Side Panel (C) with 2 drilled holes in centre of panel
- Side Panel (D) with one drilled hole in centre of panel
- Internal Panel (E)
- Roof Ridge

To assemble your Hog Hut:

Always ensure that the pre-drilled recessed holes are located on the outside of the structure

1. Take Back Panel (B) and attach Side Panel (C)

2. Attach Side Panel (D) – ensure drilled hole in centre of side panel (D) is at top of panel

3. Attach Internal Panel (E)

4. Attach Front

5. Attach Roof Panels – ensure angled edges are in centre

6. Attach Roof Ridge
